The **2023 Student Research MiniGuide** is a comprehensive list of competent student research resources and sources that are currently available on the Internet. The below list of sources is partially taken from my Subject Tracer™ and white paper titled Student Research Resources 2023 and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.StudentResearch.info>

These resources and sources will help you to discover the many pathways available to you through the Internet to find the latest competent student research resources and sites.
